Dear Sir,

"Royal George"

Referring to ours of yesterday we this morning received a reply from New York that this vessel was partly painted and that it was too late to have the outside sealed.

We telegraphed, as per copy enclosed, asking if you could not, under the circumstances, allow her to still retain her class without completion of ~~your~~ No 6 survey and are much obliged for your reply reading

"Royal George sealing outside allowed
" to be postponed till vessel's return present
" voyage " -

We are cabling the Captain tonight that he may finish painting - The ship

must have had unexpectedly good des^t
yours faithfully.
