*Sir*

On perusing  
the Report which accompanies  
I observe the list of Cables is  
brought up to your requirements,  
as this was an oversight of mine  
in purchasing the Cables and  
as they are from a first class  
House 'Henry Wood & Co' of Liverpool  
I trust they will be approved  
Further this Vessel was  
Shelved Commenced before that  
new Rule came in force (Hence Eng  
under special survey later  
part of 1861) *Yours Obedt*  
*Wm. H. Hall, Esq.*
