Southampton 17th Nov. 86

The Secretary

Sir,

— Iron Ship "Cotter" —

I beg respectfully to acknowledge the receipt of your letter of yesterday's date, and as requested therein beg to state that the butt straps of four strakes of plating at the bulges are an $\frac{1}{8}$ of an inch thicker than the plates the connect as shown on the approved tracing, and that this has not been stated on the report, which please find herewith as well as the approved tracing of midship section.

I am Sir,

Your obedient servant

J. L. Siuette
