

Напоходимо Д. У. Рамнера.

Одесса, 4/6 Август 1891

Sir,

Lloyds Agent at your port has written me to the effect that the Committee of Lloyds Register in London is not prepared to take the responsibility of assigning to my steamer "Nijni Novgorod" a class, unless she is specially surveyed by an exclusive surveyor to their society.

As Mr Bostleman, Lloyds surveyor at this place is absent, I am unable to apply to him for assistance, in the matter, and therefore beg that you will be good enough to take the necessary steps to have the said steamer surveyed at St Petersburg, where she is due in three or four days.

I presume that the Society of Lloyds Register can appoint a surveyor at St Petersburg capable of carrying out their wishes, and I hereby authorise you to arrange the said survey, for the expence of which I hold myself responsible.

I remain, Sir,

Yours obediently

D. Ramner
