

Iron Screw Steamer "Kijni Norgorod" ex "Saxonia"  
2880 Tons Gross Register

This vessel was built in 1857 and is  
34 yrs old, and was ~~in~~ <sup>in</sup> classed A.1.1 in black  
Awning Deck, subject to annual Survey in the  
Liverpool Underwriters Registry, thus denoting <sup>that</sup> from  
her age or condition, it was considered necessary  
to subject her to frequent Special Survey.

In 1881 the late Owners declined to fulfil  
the requirements of the Survey, and the  
vessels class lapsed.

Under these circumstances it is submitted  
the Owners should be informed that the  
Committee are not prepared to undertake  
the responsibility of assigning a class  
to this vessel, unless she be specially surveyed  
by an exclusive Surveyor to this Society.
