G

4th December 1882

Sir,

I am in receipt
of your letter of the 15th Ult^o
respecting the St. M. Peluani
and have to acquaint
you that the vessel has
been drawn 9 Δ -, but
in view of the chain cable
being 210 fathoms only in
length instead of 240 fathoms
as presented in Table No 22,
and the smallness of the
Hassocks and coirps. The
Committee have not assigned
to her the figures 1 for Assignment.

I enclose a certificate
accordingly.

Respect much to remain
Yours truly, and trust
you will ere long be
much recommended

I am, Sir

Yours faithfully, J. H. P. [Signature]
