

16th June, 1882
Gentlemen,

With reference to the
report No 4897 on the Schooner
"Jennie"; and the conditions
of the vessel as described
therein. I have to observe
that the only signature
appended to the report is that
of Mr. Thompson, and as
from the defects described
by him the maintenance
of the ship's Classification
in the Register Book is
necessarily involved, I am
to request you will let
me know whether in this
important case, Mr. Thompson
was joined in the survey
by Mr. Fleetwood, who as
the Principal Surveyor for
the Southampton District, should
have most certainly taken
part.

pursue this survey,
as indeed he should in every
like case, and have attached
his signature to the report.

I am,

Yours faithfully,

John Lubbock
