*Robt Blair & Co* Manufacturer. of Engines + main boiler only.

**General Remarks** (State quality of workmanship, opinions as to class, &c.)  
*The Engines and boiler of this vessel have been constructed  
 under Special Survey, and of a good quality of workmanship  
 they have been examined under steam and found to  
 work well and they are now in safe and efficient  
 working condition and, in my opinion, eligible to  
 have **L.M.C. 7. 85.** recorded in the Register Book  
 of this Society*
