I have to report that the undermentioned Iron or ~~Steel~~ ^{refined} Forgings or Castings, manufactured by The Farrow Forge Co. of Farrow for the Vessel No. —, being built by S.S. 'Pilot' of Leith have been inspected by me as set forth below, and found to be, so far as can be seen, sound.

This rudder was fractured as shown on sketch, A.B. and C. and has been repaired by forging a new piece on rudder head.

Mark on Forgings.
