Dear Sir

I am pained with your letter
of the 10 Inst. The application for a New
Registry for Thesophia was made after
she had taken on board her Cargo &
the wind proving fair I was compelled
to send her to sea. Many freight are
offering and it is indispensable that
she be closed immediately on Ugoa Road.
I shall feel obliged by the Secretary
forwarding me a Certificate of discharge
to be left at the post office Liverpool

I am Dear Sir

Yours Resp^{ly}
J. H. Avery
