Charles Putnam Esq.

Sir.

I have completed  
my Survey of New Beys at  
Padstow & Port Isaac. The Mary Josephine  
is under repair - for restoration in the  
future, and the owner applied to  
me to Survey her. But I told him  
he has been would attend to the duties  
of Padstow and recommended him  
to write to you on the subject.  
~~The Betsy Jane~~ The Betsy Jane was all in  
frames before a shed was built over  
her. But she was afterwards completed  
under the shed, and is as fine a little  
bees as can be built. I have recommended  
her 13 years believing she deserves it. if the

Rules will allow it

I remain Sir
