

Steel Steamer (N. N.) Veendam Report 170.

It is submitted that the Society's Surveyors at  
Veendam should be requested to forward the  
sketches of midships section and Profile  
submitted to the Committee on the 2<sup>d</sup> Sept. 1891,  
in order that his report may be compared  
with the same; and that he should be  
informed that before the Vessel can be  
Classed 100 A 1 the Machinery must be  
completed and fitted in the Vessel to the  
satisfaction of the Society's Surveyors.  
Ls. to V.O.M. 6/4/92.
