For the CHIEF SURVEYOR and CHIEF ENGINEER SURVEYOR

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24.5.92.)

Nature of Survey

Equipment

~~Water~~

Before this case receives further consideration the Surveyor should be asked to state the weights of the stream and Hedge anchors (exclusive of the stocks) supplied to this vessel before leaving his district. He should also be asked to state why he did not report ^{before this} that these anchors were so supplied.
