Gentlemen,

I understand from a report
received at this office, that the small
steamer entered in the Register Book
under the heading of "Ships not
named" as No 90, has recently been
under your survey for repairs and
alterations &c, and I shall be glad
to know the actual facts of the
case, and when your report may be
expected. In the event of your not being
able to furnish this document very shortly
I request you will advise me as to the
name of the party to whom she has been
sold.

The Surveyors,
Middlesex.

I am, Gentlemen,
Yr obedient servant,
A. C. Dring
