Dear Mr Thomson,

On receipt of your letter of the 27th ultimo, I interviewed the Builders and discussed with them the suggestions made for reinforcing the beams. The Builders maintain that the beams as fitted are ample. At their request I had to call their attention to the matter in writing and ask for a plan to be re-submitted. The plan with Builders' letter and covering letter is now submitted officially.

With kind regards

Yours sincerely,

*A. P. Scott.*
