Reference

Dear Sir,

Messrs. Harland & Wolff's Nos. 1016/7.
Fore Body Pillars and Girders.

The fore and aft Steel bulkhead from frames 37-45 forward, between Shelter and Upper Decks below the Bridge Front, has now been dispensed with, and the Builders propose to fit pillars on frames 37 and 46, in association with a deck girder.

A sketch shewing their proposal is submitted for consideration, and we shall be glad to know if this could be approved.

We are, Dear Sir,

Yours faithfully,

The Surveyors.

A. P. Scott.

The Secretary,

LONDON.
