

Messrs. Harland & Wolff's Nos. 1016 & 1017.  
-----

Plans of stern frame, shaft brackets and rudder submitted, in triplicate, by the Belfast Surveyors.

It is submitted the Surveyors be informed that the scantlings and arrangements as shewn will be approved, provided they be carried out to their satisfaction.

The alternative rudder plan, in which the rudder plates are to be attached by electric welding, is being considered and will be returned tomorrow.
