

Messrs. Harland & Wolff Ltd.,
Yard Nos. 1016 and 1017.

Refrigerating Installations by Messrs. J. & E. Hall Ltd.

IT IS SUBMITTED the Sheffield Surveyors be
advised of the contents of Messrs. J. & E. Hall's
communication of the 2nd instant and also referred to
their Certificates Nos. C.5640/1 dated the 7th July, 1936,
relating to the Survey of the Engines supplied by The
Brush Electrical Engineering Co. for the previous
installations, and the Surveyors be asked to state whether
the position at Loughborough is such that they will be
able to carry out the survey of the engines now under
notice at a fee of £34.0.0 (for two ships) inclusive of
travelling expenses.

Lt-7/9

6th September, 1938.
