Dear Sirs,

E.

I return herewith one set of the plans, advised in your letter of the 19th instant, of arrangement of oil fuel discharges proposed for Messrs. Harland & Wolff Ltd., Yard Nos. 1016/7, and I have to inform you that these plans will be approved provided the arrangements be as shown and amended thereon, and the remaining requirements of Section 20 of the Rules (1938-9) be complied with so far as they are applicable.

I may add it is concluded that the oil fired and exhaust gas boiler will not be required to provide steam for essential services at sea.

I shall be glad if you will arrange for a further set of the plans now approved to be forwarded to this Office for purposes of record.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
