

Messrs. Harland & Wolff's Yard Nos.1016/7.

Electrical Installation.  
-----

IT IS SUBMITTED the Belfast Surveyors be informed that before the cable sizes shown on the plans can be approved, full particulars are required of the magnitude and nature of the load on each cable.

It is concluded that plans of the main distribution boards with cable sizes and loadings, and details of the main switchboard will be submitted for approval in due course.

Provided the installation be as shown and amended on the plans and to the Surveyors' satisfaction and the remaining requirements of the Rules for Electrical Equipment be complied with and the loadings of the cables be found satisfactory, the plans merit approval.

Return 2 plans.  
Retain copies.
