Donegall Square East,

Belfast, 18th July 1938

Reference

The Secretary,  
LONDON.

Dear Sir,

Messrs. Harland & Wolff's Nos. IOI6 & IOI7.

Air Reservoirs.

Enclosed please find print in duplicate of Drawing No. 62838 showing Air Reservoirs, capacity 180 litres, proposed to be constructed by Messrs. Harland & Wolff Ltd., for the above Yard Numbers.

The Reservoirs are of welded construction and the joints are in accordance with the Rules for Class II. welded pressure vessels, and the design is submitted for the approval of the Committee.

We are, Dear Sir,

Yours faithfully,

The Surveyors.
