3rd October, 1938.

Dear Sirs,

E.

I duly received your letter of the 29th ultimo, forwarding a plan, in triplicate, of air and overflow piping arrangement for oil fuel tanks, proposed for Messrs. Harland & Wolff's Yard Nos.1016/17.

In order that this plan may receive consideration, however, I shall be glad if you will submit a plan showing the size and arrangement of the individual filling pipes to the tanks, together with the filling mains to these pipes and the size of the oil fuel transfer pump discharge to the tanks.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
BELFAST.
