For the attention of Mr. Cook

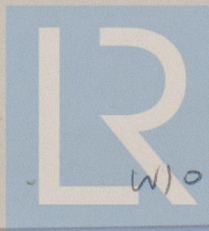

Dear Sirs,

"EMPIRE DEBEN"

Confirming my telephone conversation of this morning, we have been asked by the Ministry of Transport to arrange, after the above vessel makes the voyage to Gdynia and back, and after one week further for storing, to make a trip to South America as far as Buenos Aires.

Having regard to your letter of the 14th instant in which you state that the Committee are agreeable to the validity of the notation "Examined L.R. 5.47" being extended until the middle of June next, I shall be glad to have your comments as to whether the notation can be further extended to cover the voyage to South America.

Yours faithfully,
For SHAW SAVILL & ALBION CO. LTD.
