ENCLOSURES

Dear Sirs,

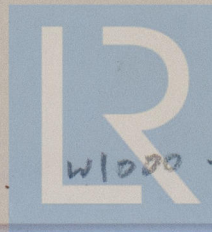

I have to acquaint you that the Society's Surveyors at Hamburg reported last month that the steamer "GENERAL SAN MARTIN" had been surveyed for the assignment of Convention Freeboards. The vessel is proceeding to your port and in the circumstances I enclose assignment letters for your information and guidance.

The plans etc. forwarded by the Hamburg Surveyors for reference, are sent for return to the ship.

Yours faithfully,

pro Secretary.

The Surveyors,
NEW CASTLE/TYNE.
