

Your Ref. AHT/DMP.

24th March, 1948.

Dear Sirs,

R.

I duly received your letter of the 22nd instant, respecting the steam tankers "APPLELEAF," "PEARLEAF" and "ORANGELEAF," and I am directed to express the best thanks of the Committee of this Society for your very valuable co-operation.

Your kind offer to advise this Office when the work of demolition is completed is also much appreciated, but as it is already in an advanced state, this will not be necessary.

Yours faithfully,

pro Secretary.
