S. Coast Guard applicable to vessels engaged on this special service voyage.

\*This certificate remains in force until the date of expiration indicated on the International Load Line Certificate, or not later than six months after the cessation of present hostilities, whichever occurs first.

Name "WINDING GULF" Official No. 216767 LLOYD'S REGISTER OF SHIPPING

Note: Authorized by section 47.1 of the U. S. Coast Guard Load Line Regulations amended, as published in the Federal Register of 13 January 1943.

Issued at New York on the 14th day of August 1944

(Signed) WILLIAM B. BARTON  
 PRINCIPAL SURVEYOR.

(Signed) WILLIAM B. BARTON  
 CHAIRMAN OF AMERICAN COMMITTEE.

Note:—In accordance with the Load Line Regulations the disc and lines must be permanently marked by center punch marks or cutting.  
 †Where seagoing steamers navigate a river or inland water, deeper loading is permitted corresponding to the weight of fuel, etc., required for consumption between the point of departure and the open sea.  
 \*Upon the expiration of the certificate renewal must be obtained as provided by the Load Line Regulations and the certificate so endorsed. Endorsement should also be made in the spaces provided on the occasion of each annual inspection required by the Load Line Regulations.

I have surveyed this ship for the purpose of seeing whether this Certificate should remain in force and the Survey has been completed to my satisfaction.

NOTES

1. The periods and areas during which the seasonal load lines apply are as stated in the Load Line Regulations.
2. This Load Line Certificate will be cancelled by the ~~Department of Commerce~~ Commandant, U. S. Coast Guard if—
  - (a) The periodic inspections have not been carried out.
  - (b) Material alterations have been made to the hull or superstructures which would affect the calculations determining the position of the load lines.
  - (c) The fittings and appliances for the protection of the openings, guard rails, freeing ports, or the means of access to the crew's quarters have not been maintained in as effective a condition as they were when the Certificate was issued.
3. When this Certificate has expired or been cancelled, it must be delivered to the Assigning Authority.
