NOTES

- The periods and areas during which the seasonal load lines apply are as stated in the Load Line Regulations.
- This Load Line Certificate will be cancelled by the Department of Commerce if—
 - The periodic inspections have not been carried out.
 - Material alterations have been made to the hull or superstructures which would affect the calculations determining the load lines.
 - The fittings and appliances for the protection of the openings, guard rails, freeing ports, or the means of access to the upper edge of the deck have not been maintained in as effective a condition as they were when the Certificate was issued.
- When this Certificate has expired or been cancelled, it must be delivered to the Assigning Authority.
