

POSTPONED SURVEYS.

Case of the..... S.S. "SHENANDOAH".

No. 33312 in Reg. Bk. tons, Built.....

Classed..... Owners.....

Port of Registry.....

Survey Due General Examination due 1.46.
Permanent repairs to worn deck plating above F & A.
extension bulkhead (p & s) to be dealt with by 1.46.
(Boiler Survey due 6.46.)

The attached letter has been received from the New York Surveyors to the effect that the vessel has been placed in the Reserve Fleet at Lee Hall, Virginia. It is not intended to deal with the outstanding surveys at this time but in the event of the vessel being placed in commission again the U.S.A. will notify the New York Surveyors as to proposed arrangements for dealing with the surveys.

SUBMITTED for consideration
as to whether the usual
Undertaking should now be
furnished.

M. Bell.
