Dear Sirs,

In forwarding herewith the Certificates in respect of the Special Survey No.1 recently carried out at Antwerp on your steamer "HAR ZION", I think it well to draw your attention to the fact that consequent upon the Surveyors' recommendations, the vessel's class has been continued subject, inter alia, to the main condenser banjo piece being renewed before the end of December next, and to the electrical installation in the passenger accommodation not being used until repaired.

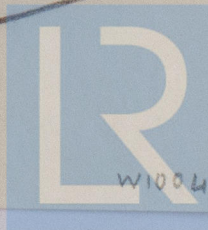

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
