No C.87

201, Tower Buildings,
Liverpool, July 6th 1916

This is to Certify that

H. G. Sefford

the undersigned Surveyor to this Society did at the request of

Messrs Hocking & Co. Ld.

attend their works on the 5th July 1916 for the purpose of

inspecting Feed Water Filter No. 3062

to the order of Messrs The North Eastern Marine Engineering Co. Ld.

and intended for their Engines No. 2241

This Feed Water Filter was subjected

in the presence of the undersigned to hydraulic tests—the shell

to 400 pounds per square inch, ~~and the ends to~~

~~pounds per square inch~~ and found satisfactory.

H. G. Sefford

Surveyor to Lloyd's Register

Fee £ 1 - 1 0

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
[illegible] neither the Committee nor any Surveyor or other person employed by the Society shall be responsible for any default, error of judgment or neglect on the part of the Committee or of any such Surveyor or other person in or about the execution or performance of any Survey or other service undertaken by the Society or by the Committee, or undertaken on behalf of the Society or of the Committee, whether for a Member or for any other person, or for any default, error of judgment or neglect in connection with the Register Book or any other publication of the Society, or in the [illegible] or [illegible] of any information obtained by the Society, or for any [illegible] or [illegible] of any Certificate or other document issued by the Society, or for any
