# Lloyd's Register of Shipping.

Port **SINGAPORE**

21st October, 1946.

This is to Certify that I have

Surveyed the ~~Boiler and Machinery of the~~ starboard double ended boiler of the Steel Twin Screw Steamer "PANAMANIAN", 15903 tons gross of PANAMA, whilst lying afloat at this port,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, ~~a Report stating that all~~

~~recommendations made by me in connection therewith have~~

~~been complied with to my satisfaction~~ and that I have

Recommended that ~~the record of~~

**no alteration**

be made in the Register Book in the case of this vessel, subject to the after tube plate in the port combustion chamber of the starboard double ended boiler being reinforced or otherwise dealt with before the boiler is used again and to all outstanding requirements being dealt with as previously recommended.

*John Harmald*

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
