ENCLOSURE.  
-----

27th April, 1926.

Dear Sir,

I am in receipt of your letter of the 15th instant enclosing form of request for the survey of re-classification of the steamer "EASTERN CROWN", and it is noted that the vessel has just come into dry dock and that the alterations are to be proceeded with immediately.

In compliance with your request I send herewith a memorandum shewing the freeboards originally assigned to the vessel when built.

I shall be glad if you will arrange for full particulars to be forwarded on the back of report form 14b, together with particulars of any alterations which may affect the freeboard of the vessel, in order that new freeboards may be assigned.

The usual freeboard request form, signed by the Owners, should also be forwarded to this Office.

I am, Dear Sir,

Yours faithfully,

Secretary.

French, Esq.,

NEW YORK.
