Lloyd's Register of Shipping,
NEW YORK.

15th April, 1926.

Dear Sir,

S.S. "EASTERN CROWN".

With further reference to my letter to you of the 29th ult., forwarding copies of approved plans in connection with alterations proposed to be made on the above mentioned vessel, I am enclosing herewith signed reclassification survey request form.

I might state that this vessel has just come on drydock at the plant of the Federal Shipbuilding and Dry Dock Company, Kearny, N.J., and the alterations are being proceeded with immediately.

In connection with the reclassification of this vessel, I should be glad if you would forward particulars of the freeboards which were assigned to this vessel when she was built in Japan.

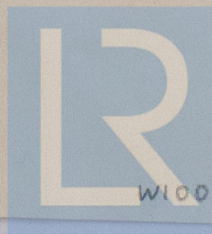

I am, Dear Sir,

Yours faithfully,

(Signed) J. FRENCH.

Chief Surveyor,
U.S.A. & Canada.

The Secretary,
LONDON.
