Dear Sir,

With reference to your memorandum letter of the 5th July last respecting the steamer "TOMBOUCTOU", this vessel has now been acquired by Mr. Henri Levendi, 5, rue Voltaire, Sète, (Hérault) who desires to have her reclassified with this Society, but before agreeing to this step, I have been requested to write and enquire whether the Committee would be agreeable to the vessel being submitted for a Special Survey (DR), with essential repairs being carried out now, and other repairs before the end of two years.

I understand that the vessel is generally in poor condition, and it is quite likely that when the Owner realises what we consider essential repairs, he may have difficulty carrying these out and I should be obliged if you consider this when dealing with his request.

I may say that I have little knowledge of this Owner and I believe he has only one other ship, the "ANJOU", which, I understand, is classed with Bureau Veritas.

I am, Dear Sir,
Yours faithfully.

Robert Harlane

The Secretary,
London.
