ENCLOSURES.

17th June, 1947.

"TOMBOUCTOU".

the present month.

Special Survey

Messrs. Compagnie de Navigation Fraissinet,  
5, Rue Beauvau,  
Marseilles,  
France.

P.S.

I have to add that the Load Line Certificate expires on the 30th June next and it is concluded the requisite renewal survey will be carried out concurrently with the classification survey.

I have also to inform you that the Boiler Survey will become due at the end of the present month.
