6th October, 1925.

Dear Sir,

I duly received your letter of the 30th ultimo enclosing one from the Builders of the steamer "VENDEMIARE", and with regard thereto I have to acquaint you that provided the cables, which it is understood are 183 Kgs. less in weight than required by the Rules, be found satisfactory in all other respects, they will be accepted by the Committee in this instance, as the weights of the anchors are in excess of the Rule requirements.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

V.M. Linklater, Esq.,

CAEN.
