General Observations, Opinion as to Class, Recommendation, &c.:—

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon this survey, thus, for example:—"to remain as now classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1,24," or "to remain as classed and to have record of survey, 1,24, and the notations of ss No. 1-24 and ptND15, &c."

This vessel as far as now seen is in a good and efficient condition and eligible in my opinion to have record of the class contemplated (please see Caen First Entry Report 110) with record of survey 10.25 Cherbourg.
