L a g o s,

21st October, 1947.

Dear Sir,

In reply to your letter of the 9th September, 1947, and further to my letter of the 13th October, 1947, in connection with the information required by the Ministry of War Transport on the M.Y. "AARLA", please find enclosed a letter from Messrs. Elder Dempster Lines, Ltd., Freetown, who were the vessel's Agents during the time she was stationed at that port.

I regret that I can give no further information but would suggest that Messrs. Elder Dempster Lines, Ltd., Liverpool be approached in this respect.

The Ministry of War Transport at Freetown transmitted copies of all documents pertaining to survey and repairs carried out at Freetown to their Principals in London, it is therefore considered that a search of this file would be sure to reveal a copy of the certificate in question.

I am, Dear Sir,
Yours faithfully,

John Lane
SURVEYOR.
