21st October, 1947.

Dear Sir,

S.

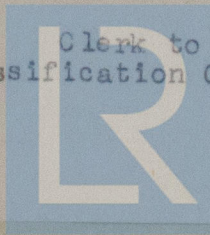

I beg to acknowledge the receipt of your letter of the 16th instant respecting the motor yacht "AARLA", and in reply would inform you that the only Interim Certificates issued in connection with the voyage from Freetown to the United Kingdom are those dated 4th and 7th September, 1945, copies of which have Leixoes already been forwarded to you, consequent upon the survey at/ by Mr. Guthrie, one of the Society's Surveyors.

I may say that the recommendation quoted from the Master's letter of the 12th August, 1945, is not referred to in any report furnished by the Surveyor who carried out the survey at Leixoes.

Yours faithfully,

The Principal Officer,  
Ministry of Transport,  
Marine Surveyors' Office,  
12, James Watt Street,  
GLASGOW, C.2.

Clerk to the  
Classification Committee.
