2 Certificates enclosed.

Dear Sirs,

F.

As it is understood that the Canadian steamer "RIDING MOUNTAIN PARK" has now been taken over by the Ministry of War Transport, renamed "EMPIRE PIKE" and managed by your goodselves, I enclose a British Load Line Certificate and certified copy for issue to the ship and I shall be glad if you will arrange for the Canadian Certificates to be returned to this Office.

At the same time I have to point out that an Annual Load Line Survey will become due on the 17th December next and requires to be held before the 17th March 1946.

Yours faithfully,

pro Secretary.
