Ref."S!"      Enclosure

Dear Sir,

I am in receipt of your letter of the 10th instant with reference to the enquiry to be held in the case of the MAGDALENA, and confirm the cable dispatched to you today as follows:-

Reyur letter 10th Magdalena.

Fletcher of Wilsons could assist during absence but preferable arrange locum from Buenos Aires. stop. Imperative Income Tax Receipts be returned this office before Exit Visa issued. Statement follows by Air Mail

The amended statement is enclosed herewith as requested.

Should my personal attendance at the enquiry be desired, it will be necessary for me to obtain an Exit Visa from Brasil, and for this purpose all income tax receipts must be produced. As stated in my letter of 14th ultimo several receipts are in your possession and I should be glad if these could be returned to this office.

With reference to the carrying out of the duties in this port, in my absence, I have the assurance of Mr. Gente, Manager for Brazil of Messrs. Wilsons Sons & Co. Ltd., that he would allow Mr. Fletcher, engineer to that company, to assist in every way possible. It will be remembered that Mr. Fletcher was interviewed with a view to an appointment with the Society. However since the duties in this port require whole time attendance I suggest it would be preferable to arrange for a locum from the Buenos Aires staff, to whom Mr. Fletcher could lend his local knowledge.

No difficulty is anticipated in securing an air passage at about the time suggested, but before proceeding to secure the Exit Permit it will be necessary to produce last years Income Tax Receipt.

Yours faithfully,

*M. Catwell*
