

17th February, 1948.

Dear Sirs,

Messrs. Harland & Wolff's No. 1354

I duly received Mr. Balfour's letter of the 26th ultimo enclosing one from the Builders regarding the topside plating for the above ship, and have to state that the alternative arrangements suggested by him are considered satisfactory, and I shall be glad if he will again discuss the question with the Builders with a view to these arrangements being adopted.

Yours faithfully,

Secretary.

The Surveyors,  
BELFAST.
