1 plan

Dear Sir,

MESSRS. HARLAND & WOLFF'S YARD NO.1354.

We enclose modified plan of Pillars and Girders which has been approved locally.

At Nos. 2,3,4 and 5 hatchways covers are fitted at the foot of the trunks at the deck marked Upper Deck on the plan. The stowage of the cargo in the trunks is at 100 cubic ft. per ton. In addition some pillars have been eliminated to allow for stowage of motor cars.

These are the principal modifications and the plan has been brought up-to-date and the amendments approved in London on the 13/3/47 embodied on the plan.

We are, Dear Sir,
Yours faithfully,
The Surveyors.
