Dear Sirs,

Re: 46257/M - N.Y. "MATRONA"

D. The Society's Surveyors at Newcastle have forwarded to me your letter addressed to them of the 6th instant concerning the above case. I think that you are under a misapprehension as Mr. McIntyre, the Surveyor to the Society to whom you refer, was not stationed in Liverpool in October last when the above ship overturned.

Yours faithfully,

Secretary.
