Dear Sirs,

Re: 46257/M - m.v. "MATRONA".

We are concerned in the overturning of the above vessel in October last at Birkenhead Docks, for Messrs. Murray (Scientific Instruments) Ltd., and we are very interested, if it is at all possible, to see your surveyor, Mr. McIntyre, who at the time was stationed in this city.

We are wondering if you would be so kind as to grant us facilities to see Mr. McIntyre and if so if there is any possibility of his being in this city in the very near future.

Yours faithfully,
