Dear Sir,

S.S. "HOPESTAR" - Overdue. Left the Tyne on 2nd November 1948, for Philadelphia. Reported by wireless on 14th November in approximately lat. 42 N., long. 57 W., and not since heard of.

We thank you for your letter of 5th inst., and we know of no circumstances which should defer the Committee taking the steps at their Meeting on the 14th inst., and as described in your letter.

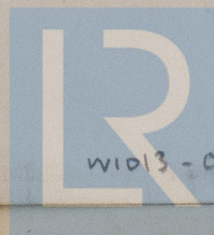

We understand that the Ministry of Transport are to hold an Inquiry into the loss of the steamer but no date has yet been fixed for this.

Yours faithfully,

For and on behalf of
