Dear Sirs,

S.S. "HOPESTAR".

We thank you for your letter of 14th.

We anticipate fitting a New Thermal Engine Crankshaft to this ship when she returns to this Country for docking. She is at present at Necocha loading grain for the U.K. but her prospects of despatch at the moment are very uncertain. On a rough estimate, she will hardly be available for repairs until the end of March.

Yours faithfully,  
For and on behalf of  
STOTT MANN & FLEMING LTD.

(Sgd). P. R. Fleming.

Director.
