Dear Sirs,

I have to acquaint you that I am in receipt of a communication from the Owners of the steamer "HOPESTAR" in which they state that the vessel is now in the Tyne where they are hoping to carry out the General Examination for maintenance of class and the Loadline Renewal Survey, which require to be held by the end of February next.

In the circumstances I shall be glad if you will give the case the necessary attention.

Yours faithfully,

Clerk to the  
Classification Committee.
