# Lloyd's Register of Shipping.

Port MANCHESTER,

7th February, 1945.

**This is to Certify that I have**

Surveyed the S.S. "HOPESTAR", 5267 tons gross of Newcastle,  
on 10th January, 1945 and subsequently whilst lying afloat  
at Salford Docks, Manchester for the purpose of carrying out  
a General Examination in lieu of Special Survey  
and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report, stating that all repairs  
recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued as classed in the  
Register Book without fresh record of survey, and to receive  
notation of "Examined 2,45", the hull of the vessel being  
considered efficient for a period of 12 months subject to  
indented plating, etc., (P.S) in way of Nos.1 and 2 holds, aft  
bulkhead No.1 hold wing plating (P.S) in way, and bottom plating,  
etc., (P & S.F) to repair permanently first convenient opportunity.  
No.2 partly held

being fit to carry dry and perishable cargoes.

R. W. J. Gordon.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances ever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
