Lloyd's Register of Shipping.

Port Colombo.

6th February, 1943.

This is to Certify that I have

Port Colombo
examined the Boiler and Machinery of the S.S. "HOPESTAR"
gross tons of Newcastle,

(floating of safety valves only)

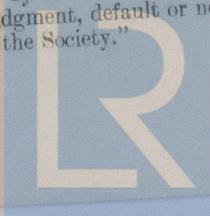

that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
recommended that the record of as at present

is entered in the Register Book in the case of this vessel.

H. Lightowler

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :
the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed and that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
Members, or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
